# Inspire students with an engaging guest speaker

**Featuring: Joe Kent,** Executive vice president, Grassroot Institute of Hawaii

## Discover Hawaii's economic challenges and the power of civic engagement

Joe Kent, an experienced educator, is skilled at making complex topics fun and relatable, and is prepared to discuss topics in 30- to 60-minute presentations.

Suitable for grades 5–12, with topics adjustable to meet student understanding, Kent's presentations are interactive, thought-provoking and tailored to fit classroom objectives.

### PRESENTATION TOPICS

Hawaii's public debt
Hawaii's cost of living
Hawaii's energy future
Hawaii taxes and the economy
Hawaii's housing crisis
The legislative process
